LEGAL NURSE CONSULTANT

Monica L. Meier is a legal nurse consultant in the firm's Grand Rapids office where she currently assists attorneys practicing in the area of Medical Malpractice Defense.

In this position, she assists with the following:

Management of multiple cases from early stages through trial preparation

Medical records collection, organization, summarization and analysis

Preparation of chronologies, timelines, case reports, expert reports, and reports analyzing merits of case

Assist with preparing and answering discovery requests

Medical research

Expert witness identification/selection/research

Maintenance of large and extensive Expert Witness Databank

After working as a registered nurse in the areas of Oncology, Medical ICU, and Cardiac ICU, Monica now brings her medical experience and knowledge to the field of law.
